

MULTI DOORS

C631CD

Product Model: C631CD
 Door Type: Cross Door
 Dimension(W*H*D mm): 911*1830*746
 Color:

Specification

Net capacity (L): 616
 Fridge capacity (L): 394
 Freezer capacity (L): 222
 Climate style: SN/N/ST/T
 New EU energy class: E
 40'HQ: 30 units

Features

- Total no frost
- Water dispenser (Optional)
- Multiple handle styles are available
- Alarm function
- Holiday function
- Child lock
- 90° accessible
- Multi air flow
- Power freeze

C521CD

Product Model: C521CD
 Door Type: Cross Door
 Dimension(W*H*D mm):830*1900*641
 Color:

Specification

Net capacity (L): 521
 Fridge capacity (L): 349
 Freezer capacity(L) :81
 Convertible zone (L) :91
 Climate style: SN/N/ST/T
 New EU energy class: E
 40'HQ: 56 units

Features

- Total no frost
- Electronic control
- LED light
- T-FRESH (Optional)
- Adjustable shelf
- Recessed handle
- Adjustable feet
- Metal cool (Optional)
- Convertible zone (-20°C~5°C)
- Wet-dry Storage

■ C512CD

Product Model: C512CD

Door Type: Cross Door

Dimension(W*H*D mm): 909*1900*690

Color:

■ Specification

Net capacity (L): 512

Fridge capacity (L): 348

Freezer capacity (L): 74

Convertible capacity (L): 74

Zero Zone capacity (L): 16

Climate style: T

New EU energy class: E/D

40'HQ: 36 units

■ Features

Total no frost

Multi air flow

Convertible Zone (-20°C~5°C)

Zero zone (-3°C~0°C)

Twin eco inverter

Electronic control

External LED display

LED light

Metal cool

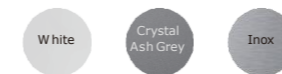

■ P466CD

Product Model: P466CD

Door Type: Cross Door

Dimension(W*H*D mm): 833*1850*678

Color:

■ Specification

Net capacity (L): 466

Fridge capacity (L): 297

Freezer capacity (L): 169

Climate style: SN/N/ST/T

Old EU energyclass: A+

New EU energy class: F/E/D

40'HQ: 51 units

■ Features

Total no frost

AAT (patent) (Optional)

Metal cool (Optional)

Water dispenser optional (Metal door)

External LED display

Precise temperature control

LED light

Twin eco inverter

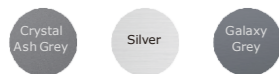

Electronic control

Wet-dry storage (Optional)

C456CD

Product Model: C456CD
 Door Type: Cross Door
 Dimension(W*H*D mm):830*1900*581
 Color:

Specification

Net capacity (L): 456
 Fridge capacity (L): 315
 Freezer capacity(L) :66
 Convertible zone (L) :75
 Climate style: SN/N/ST/T
 New EU energy class: E
 40'HQ: 57 units

Features

Total no frost
 Electronic control
 LED light
 T-FRESH (Optional)
 Adjustable shelf
 Recessed handle
 Adjustable feet
 Metal cool (Optional)
 Convertible zone (-18°C~5°C)
 Wet-dry Storage

C556FD

Product Model: C556FD
 Door Type: French Door
 Dimension(W*H*D mm): 911*1780*770
 Color:

Specification

Net capacity (L): 545
 Fridge capacity (L): 343
 Freezer capacity (L): 202
 Climate style: SN/N/ST/T
 Energy class: DOE
 40'HQ: 48 units

Features

Total no frost
 Precise temperature control
 External LED display
 Electronic control
 LED light
 Adjustable shelves, safety lockdesign
 Twin eco inverter
 Automatic Ice maker
 Door balcony with silver trim (Optional)
 4 wheels for easily moving
 Power cool/Power freeze

■ P443FD

Product Model: P443FD

Door Type: French Door

Dimension(W*H*D mm): 703* 1890 *677

Color:

■ Specification

Net capacity (L): 443

Fridge capacity (L): 301

Freezer capacity (L): 142

Climate style: SN/N/ST/T

Old EU energy class: A+

New EU energy class: F

40'HQ: 48 units

■ Features

Total no frost

AAT (patent) (Optional)

External LED display

Precise temperature control

LED light

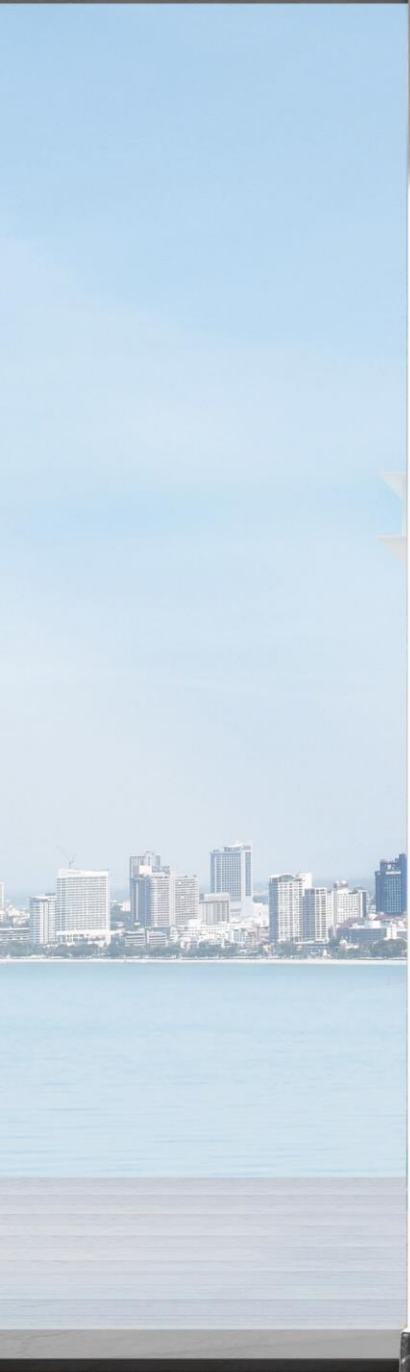

Adjustable shelf

Twin eco inverter

Electronic control

Cabinet shelves/Door balcony with silver trim
(Optional)

SIDE BY SIDE

C513SBIM

Product Model: C513SBIM

Door Type: Side By Side

Dimension(W*H*D mm): 910*1770*670

Color:

White

Inox

Black Inox

Specification

- Net capacity (L): 513
- Fridge capacity (L): 344
- Freezer capacity (L): 169
- Climate style: SN/N/ST/T
- Old EU energy class: A+, A++
- New EU energy class: F/E/D
- 40'HQ: 48

Features

- Total no frost
- External soft touch digital display
- Sky power interior LED light
- Holiday function
- Child lock
- Alarm function
- Super freeze and super cool
- External handle / Metal cool optional
- Automatic Ice maker and water dispenser device

P620SB

Product Model: P620SB
 Door Type: Side By Side
 Dimension(W*H*D mm):910*1850*685
 Color:

Specification

Net capacity (L): 620
 Fridge capacity (L): 375
 Freezer capacity(L) :245
 Climate style: SN/N/ST/T
 New EU energy class: E
 40'HQ: 48 units

Features

Total no frost
 Electronic control
 LED light
 T-FRESH (Optional)
 Adjustable shelf
 Recessed handle
 Flat air flow
 Metal cool (Optional)
 T-Temp. (-3°C/-1°C/4°C)
 Humidity slider crisper
 90°C Accessible

P545SB

Product Model: P545SB
 Door Type: Side By Side
 Dimension(W*H*D mm):910*1850*625
 Color:

Specification

Net capacity (L): 545
 Fridge capacity (L): 333
 Freezer capacity(L) :212
 Climate style: SN/N/ST/T
 New EU energy class: E
 40'HQ: 53 units

Features

Total no frost
 Electronic control
 LED light
 T-FRESH (Optional)
 Adjustable shelf
 Recessed handle
 Flat air flow
 Metal cool (Optional)
 T-Temp. (-3°C/-1°C/4°C)
 Humidity slider crisper
 90°C Accessible

■ P650SB

Product Model: P650SB

Door Type: Side By Side

Dimension(W*H*D mm): 920*1768*735

Color:

■ Specification

Net capacity (L): 631

Fridge capacity (L): 396

Freezer capacity (L): 235

Climate style: SN/N/ST/T

Old EU energyclass: A+

New EU energy class: F/E

40'HQ: 48 units

■ Features

Total no frost

AAT (patent) (Optional)

External LED display

Precise temperature control

LED light

Twin Eco Inverter

Water dispenser optional (Metal door)

Swing flow & Pure air (Optional)

Twist ice maker (Optional)

Electronic control

■ P520SB

Product Model: P520SB

Door Type: Side By Side

Dimension(W*H*D mm): 920*1768*630

Color:

■ Specification

Net capacity (L): 505

Fridge capacity (L): 324

Freezer capacity (L): 181

Climate style: SN/N/ST/T

Old EU energyclass: A+

New EU energy class: F/E/D

40'HQ: 53 units

■ Features

Total no frost

AAT (Patent) (Optional)

External LED display

Precise temperature control

LED light

Twin Eco Inverter

Water dispenser (Optional) (Metal door)

Middle drawer (Optional)

Electronic control

Twist ice maker (Optional)

Cabinet shelves/Door balcony with silver trim(Optional)

BOTTOM MOUNT FREEZER

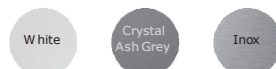

P417BF

Product Model: P417BF

Door Type: Bottom Freezer

Dimension(W*H*D mm): 703*1850*670

Color:

Specification

Net capacity (L):417

Fridge capacity (L): 276

Freezer capacity (L): 141

Climate style: SN/N/ST/T

Old EU energy class: A+

New EU energy class: E

40'HQ: 65 units

Features

Total no frost

Electronic control

LED light

AAT

Adjustable shelf

Recessed handle

Reversible door (Optional)

Wine rack(2 bottles) (Optional)

P326BF

Product Model: P326BF

Door Type: Bottom Freezer

Dimension(W*H*D mm): 600*2010*600

Color:

Specification

Net capacity (L): 326

Fridge capacity (L): 243

Freezer capacity (L): 83

Climate style: N/ST

Old EU energyclass: A+

New EU energy class: E

40'HQ: 54 units

Features

Total no frost

Electronic control

LED light

Glass shelf

Fresh drawers

Metal cool (Optional)

Reversible door (Optional)

Twin eco inverter

P315BF

Product Model: P315BF
 Door Type: Bottom Freezer
 Dimension(W*H*D mm): 595*1850*630
 Color:

Specification

Net capacity (L): 318
 Fridge capacity (L): 219
 Freezer capacity (L): 99
 Climate style: N/ST/T
 Old EU energyclass: A+
 New EU energy class: F/E/C
 40'HQ: 72 units/69 units

Features

Total no frost
 Electronic control
 Precise temperature control
 LED light
 Adjustable shelf
 Fresh drawers
 Adjustable feet
 Reversible door (Optional)
 External handle (Optional)
 Outside condenser (Optional)

P275BF

Product Model: P275BF
 Door Type: Bottom Freezer
 Dimension(W*H*D mm): 545*1825*615
 Color:

Specification

Net capacity (L): 282
 Fridge capacity (L): 202
 Freezer capacity (L): 80
 Climate style: N/ST/T
 Old EU energyclass: A+
 New EU energy class: F
 40'HQ: 96 units

Features

Total no frost
 Electronic control
 Precise temperature control
 LED light
 Adjustable shelf
 Fresh drawers
 Adjustable feet
 Reversible door (Optional)

P186BF

Product Model: P186BF

Door Type: Bottom Freezer

Dimension(W*H*D mm): 550*1603*550

Color:

Specification

Net capacity (L): 186

Fridge capacity (L): 123

Freezer capacity (L): 63

Climate style: SN/N/ST/T

Energy class: /

40'HQ: 87 units

Features

Total no frost

Electronical control

LED light

Adjustable shelves

Fresh drawer

Recessed handle

Adjustable feet

F265BF

Product Model: F265BF

Door Type: Bottom Freezer

Dimension(W*H*D mm): 545*1823*545

Color:

Specification

Net capacity (L): 260

Fridge capacity (L): 187

Freezer capacity (L): 73

Climate style: SN/N/ST

Old EU energy class: A+

New EU energyclass: F, E

40'HQ: 104 units

Features

Defrost

LED light

Mechanical control

Glass shelf

Fresh drawers

Adjustable feet

F235BF

Product Model: F235BF
 Door Type: Bottom Freezer
 Dimension(W*H*D mm): 545*1700*545
 Color:

Specification

Net capacity (L): 235
 Fridge capacity (L): 162
 Freezer capacity (L): 73
 Climate style: SN/N/ST
 Old EU energyclass: A+
 New EU energy class: E
 40'HQ: 106 units

Features

Defrost
 LED light
 Mechanical control
 Glass shelf
 Fresh drawers
 Recessed handle
 Adjustable feet

F163BF

Product Model: F163BF
 Door Type: Bottom Freezer
 Dimension(W*H*D mm): 498*1455*515
 Color:

Specification

Net capacity (L): 163
 Fridge capacity (L): 121
 Freezer capacity (L): 42
 Climate style: SN/N/ST
 Old EU energy class: A
 New EU energy class: F
 40'HQ: 148 units

Features

Defrost
 LED light
 Mechanical control
 Adjustable shelves
 Fresh drawer
 Recessed handle
 Adjustable feet

TOP MOUNT FREEZER

P605TM

Product Model: P605TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 836*1850*743
 Color:

Specification

Net capacity (L): 605
 Fridge capacity (L): 445
 Freezer capacity (L): 160
 Climate style: SN/N/ST/T
 Saudi energy class: C
 Old EU energy class: A+
 40'HQ: 39 units

Features

Total no frost
 Electronic control
 Fresh room
 Humidity slider crisper
 LED light
 Power cool/Power freeze
 Holiday function
 Alarm function
 Swing flow
 Water dispenser (Optional)
 External handle (Optional)

P545TM

Product Model: P545TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 836*1850*688
 Color:

Specification

Net capacity (L): 540
 Fridge capacity (L): 398
 Freezer capacity (L): 142
 Climate style: SN/N/ST/T
 Old EU energyclass: A+
 New EU energy class: F
 40'HQ: 55 units

Features

Total no frost
 Electronic control
 LED light
 Humidity slider crisper
 Twin eco inverter (Optional)
 Water dispenser (Optional)
 Twist ice maker (Optional)
 Reversible door (Optional)
 Swing flow (Optional)
 External handle (Optional)

P465TM

Product Model: P465TM

Door Type: Top Mounted

Dimension(W*H*D mm): 706*1850*686

Color:

Specification

Net capacity (L): 465

Fridge capacity (L): 364

Freezer capacity (L): 101

Climate style: N/ST/T

Old EU energyclass: A+

New EU energy class: F/E

40'HQ: 66 units

Features

Total no frost

Electronic control (Optional)

LED light

Humidity slider crisper

Twin eco inverter (Optional)

Water dispenser (Optional)

Twist ice maker (Optional)

Reversible door (Optional)

Swing flow (Optional)

External handle (Optional)

P425TM

Product Model: P425TM

Door Type: Top Mounted

Dimension(W*H*D mm): 706*1720*686

Color:

Specification

Net capacity (L): 420

Fridge capacity (L): 319

Freezer capacity (L): 101

Climate style: N/ST/T

Old EU energyclass: A+

40'HQ: 67 units

Features

Total no frost

Electronic control

LED light

Humidity slider crisper

Twin eco inverter (Optional)

Water dispenser (Optional)

Twist ice maker (Optional)

Reversible door (Optional)

Swing flow (Optional)

External handle (Optional)

P365TM

Product Model: P365TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 600*1510*740
 Color:

Specification

Net capacity (L): 340
 Fridge capacity (L): 242
 Freezer capacity (L): 98
 Climate style: SN/N/ST
 Energy class: SASO, DOE, E-STAR
 40'HQ: 88 units

Features

Total no frost
 Electronic control
 LED light
 Humidity slider crisper
 Twist ice maker (Optional)

P333TM

Product Model: P333TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 600*1700*665
 Color:

Specification

Net capacity (L): 333
 Fridge capacity (L): 256
 Freezer capacity (L): 77
 Climate style: ST
 Old EU energyclass: A+/A++
 New EU energy class: F/E
 40'HQ: 73 units

Features

Total No Frost
 Electronic control
 LED light
 Uniform cooling
 Adjustable feet

P286TM

Product Model: P286TMS
 Door Type: Top Mounted
 Dimension(W*H*D mm): 545*1770*620
 Color:

Specification

Net capacity (L): 286
 Fridge capacity (L): 225
 Freezer capacity (L): 61
 Climate style: N/ST/T
 AU energy class: 3.5 star
 Old EU energy class: A
 40'HQ: 97 units

Features

Total no frost
 Electronic control
 Precise temperature control
 LED light
 Humidity Slider Crisper
 Easy tray (Optional)
 Twist ice maker (Optional)
 Reversible door (Optional)
 Water Dispenser (Optional)

P249TM

Product Model: P249TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 545*1670*600
 Color:

Specification

Net capacity (L): 249
 Fridge capacity (L): 191
 Freezer capacity (L): 58
 Climate style: SN/N/ST/T
 AU energy class: 3.5star
 Old EU energy class: A+
 40'HQ: 102 units

Features

Total no frost
 Electronic control
 Precise temperature control
 LED light
 Humidity Slider Crisper
 Easy tray (Optional)
 Twist ice maker (Optional)
 Reversible door (Optional)
 Water Dispenser (Optional)

P200TM

Product Model: P200TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 545*1430*600
 Color:

Specification

Net capacity (L): 200
 Fridge capacity (L): 142
 Freezer capacity (L): 58
 Climate style: SN/N/ST/T
 AU energy class: 3.5 star
 Old EU energy class: A+
 40'HQ: 133 units

Features

Total no frost
 Electronic control
 Precise temperature control
 Humidity slider crisper
 Easy tray (Optional)
 Twist ice maker (Optional)
 Reversible door (Optional)
 Water dispenser (Optional)

F308TM

Product Model: F308TMW
 Door Type: Top Mounted
 Dimension(W*H*D mm): 600*1720*600
 Color:

Specification

Net capacity (L): 308
 Fridge capacity (L): 232
 Freezer capacity (L): 76
 Climate style: ST
 Old EU energyclass: A+
 New EU energy class: F
 40'HQ: 73 units

Features

Defrost
 Mechanical control
 Low noise
 Adjustable feet

F248TM

Product Model: F248TMW
 Door Type: Top Mounted
 Dimension(W*H*D mm): 550*1660*580
 Color:

Specification

Net capacity (L): 249
 Fridge capacity (L): 199
 Freezer capacity (L): 50
 Climate style: SN/N/ST/T
 Old EU energy class: A+
 New EU energy class: F
 40'HQ: 106 units

Features

Defrost
 Mechanical control
 LED light (Optional)
 Glass shelves (Optional)
 Fresh drawers
 Reversible door

F210TM

Product Model: F210TM
 Door Type: Top Mounted
 Dimension(W*H*D mm): 545*1440*550
 Color:

Specification

Net capacity (L): 207
 Fridge capacity (L): 167
 Freezer capacity (L): 40
 Climate style: ST
 Old EU energyclass: A+
 New EU energy class: E
 40'HQ: 139 units

Features

Defrost
 Mechanical control
 LED Light
 Low noise
 Glass shelves
 Adjustable feet

F166TM

Product Model: F166TM

Door Type: Top Mounted

Dimension(W*H*D mm): 480*1550*530

Color:

Specification

Net capacity (L): 166

Fridge capacity (L): 121

Freezer capacity (L): 45

Climate style: ST

Old EU energy class: A

40'HQ: 150 units

Features

Defrost

Mechanical control

LED light (Optional)

Low noise

Glass shelves

Adjustable feet

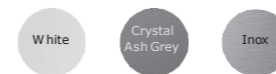

F118TM

Product Model: F118TM

Door Type: Top Mounted

Dimension(W*H*D mm): 476*1166*515

Color:

Specification

Net capacity (L): 118

Fridge capacity (L): 85

Freezer capacity (L): 33

Climate style: ST

Energy class: /

40'HQ: 184 units

Features

Defrost

Mechanical control

LED light

Low noise

Glass shelves

Adjustable feet

SINGLE DOOR

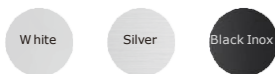

P355SD

Product Model: P359SD

Door Type: Single Door

Dimension(W*H*D mm): 600*1850*650

Color:

Specification

Net capacity (L): 355

Fridge capacity (L): 355

Climate style: ST

Old EU energyclass: A+/A++

New EU energy class: F/E

40'HQ: 72 units

Features

Total no frost

Electronic control

External LED display

LED light

Multi air flow

Humidity Slider Crisper

Water dispenser (Optional)

Reversible door(slot in design)

External handle (Optional)

Pigeon pair with model P272SD (Freezer)

P272SD

Product Model: P272SD

Door Type: Single Door(Freezer)

Dimension(W*H*D mm): 600*1850*650

Color:

Specification

Net capacity (L): 272

Freezer capacity (L): 272

Climate style: ST

Old EU energyclass: A+/A++

New EU energy class: F/E

40'HQ: 72 units

Features

Total no frost

Electronic control

External LED display

LED light

Multi air flow

Twist ice maker (Optional)

Reversible door (Slot in design)

External handle (Optional)

Pigeon pair with model P355SD (Larder)

■ P200SD

Product Model: P200SD

Door Type: Single door

Dimension(W*H*D mm): 540*1705*600

Color:

White

Silver

■ Specification

Net capacity (L): 200

Freezer capacity (L): 200

Climate style: N/ST

Old EU energyclass: A+/A++

New EU energy class: F/E/D

40'HQ: 102 units

■ Features

Total no frost

Electronical control

LED light

Mechanical control

Glass shelves (Optional)

Power freeze

■ P160SD

Product Model: P160SD

Door Type: Single door

Dimension(W*H*D mm): 540*1430*600

Color:

White

Silver

■ Specification

Net capacity (L): 160

Freezer capacity (L): 160

Climate style: N/ST

Old EU energyclass: A+/A++

New EU energy class: F/E/D

40'HQ: 129 units

■ Features

Total no frost

Electronical control

LED light

Mechanical control

Glass shelves (Optional)

Power Freeze

■ F122SD

Product Model: F122SD

Door Type: Single Door

Dimension(W*H*D mm): 500*840*560

Color:

White

Silver

■ Specification

Net capacity (L): 121

Fridge capacity (L): 121

Cool zone capacity (L): 15

Climate style: SN/N/ST

Old EU energyclass: A+/A++

New EU energy class: F/E

40'HQ: 274 units

■ Features

Deforst

Mechanical control

LED light

Glass shelves (Optional)

Fresh drawers

Extra storage space on door balconies

Recessed handle

Reversible door

Adjustable feet

■ F90SD

Product Model: F90SD

Door Type: Single Door

Dimension(W*H*D mm): 480*850*450

Color:

White

Silver

■ Specification

Net capacity (L): 90

Fridge capacity (L): 90

Coolzone capacity (L): 10

Climate style: SN/N/ST

Old EU energyclass: A+/A++

New EU energy class: F/E

40'HQ: 356 units

■ Features

Defrost

Mechanical control

Interior light

Glass shelves (Optional)

Fresh drawers

Recessed handle

Reversible door

Adjustable feet

■ F75SD

Product Model: F75SD
 Door Type: Single Door
 Dimension(W*H*D mm): 478*700*448
 Color:

White

Silver

■ Specification

Net capacity (L): 76
 Fridge capacity (L): 76
 Climate style: N
 Energy class: E-STAR
 40'HQ: 434 units

■ Features

Defrost
 Mechanical control
 Cool zone inside
 Wire shelves
 Recessed handle
 Reversible door
 Adjustable feet

■ F41SD

Product Model: F41SD
 Door Type: Single Door
 Dimension(W*H*D mm): 440*510*470
 Color:

White

Silver

■ Specification

Net capacity (L): 41
 Fridge capacity (L): 41
 Freezer capacity (L): 4
 Climate style: ST
 Old EU energyclass: A+/A++
 New EU energy class: F/E
 40'HQ: 573 units

■ Features

Mechanical control
 Cool zone inside
 Slide-out wire shelf
 Recessed handle
 Reversible door
 Adjustable feet

CHEST FREEZER

F708CF

Product Model: F708CF

Door Type: Chest Freezer

Dimension(W*H*D mm): 1905*865*820

Color:

Specification

Total net capacity(L): 708

Fridge capacity(L): /

Freezer capacity(L): 708

Climate style: SN/N/ST

Energy Class: /

40'HQ: 37

Features

Electronic Control

Max Space

Front water disposal device

Power indicator function

Storage basket optional

LED light optional

F508CF

Product Model: F508CF

 40'HQ: 125

Features

Mechanical Control
 Max Space
 Front water disposal device
 Power indicator function
 Storage basket optional
 LED light optional

F200CF

Product Model : F200CF
 Door Type: Chest Freezer
 Dimension(W*H*D mm): 905*845*545
 Color:

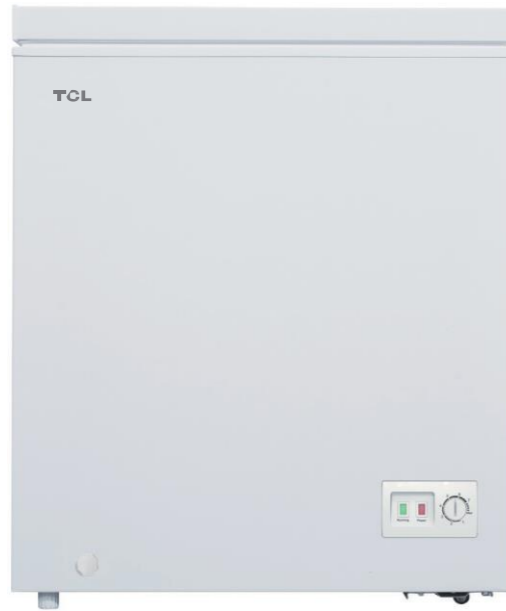

Specification

Total net capacity(L): 200
 Fridge capacity(L): /
 Freezer capacity(L): 200
 Climate style: SN/N/ST
 Energy Class: /
 40'HQ: 149

Features

Mechanical Control
 Max Space
 Front water disposal device
 Power indicator function
 Storage basket optional
 LED light optional

■ F145CF

Product Model: F145CF

Door Type: ChestFreezer

Dimension(W*H*D mm): 705*845*545

Color :

White

Silver

■ Specification

Total net capacity(L): 145

WINE COOLER

P200WC

Product Model: P200WC
 Temperature Type: Single Temperature
 Dimension: (W*H*D mm): 495*1275*580
 Color:

Black cabinet & Transparent glass door

Specification

Net capacity (L): 200
 Fridge capacity (L): 200
 Climate style: SN/N
 New EU energy class: F
 40'HQ: 144 units

Features

No frost
 80 Bottles
 Single Temperature Zone(5-18°C)
 Electronic Control
 6 wooden shelves
 Plastic door frame with recessed handle
 LED light
 Lock assy

P120WC

Product Model: P120WC
 Temperature Type: Single Temperature
 Dimension: (W*H*D mm): 440*860*465
 Color:

Black cabinet & Transparent glass door

Specification

Net capacity (L): 120
 Fridge capacity (L): 120
 Climate style: SN/N
 New EU energyclass: G
 40'HQ: 216 units

Features

No frost
 52 Bottles
 Single Temperature Zone(5-18°C)
 Electronic Control
 4 wooden shelves
 Plastic door frame with recessed handle
 LED light
 Lock assy

F86WC

Product Model: F86WC

Temperature Type: Single Temperature

Dimension: (W*H*D mm): 440*860*465

Color:

Black cabinet & Transparent glass door

Specification

Net capacity (L): 86

Fridge capacity (L): 86

Climate style: SN/N

New EU energyclass: F

40' HQ: 226 units

Features

Defrost

28 bottles

Single Temperature Zone(5-18°C)

Electronic Control

4 wooden shelves

Plastic door frame with recessed handle

LED light

Lock assy
